

LED Pharmacy Floor Lamp

Instruction Manual

Read Carefully Before Use
Keep for Future Reference

Safety Information

 Danger

Read these instructions carefully before assembly.

- Check for electric, gas, and plumbing lines before drilling or consult a professional.
- **ALWAYS** cut **ALL** relevant power before installing a lighting fixture. **DO NOT** restore power to the line until the lamp has been **FULLY** installed.
- **ALWAYS** wear gloves during assembly and avoid collisions to prevent injury. Also, take care to prevent scratching the surfaces of lamps and wires.
- Seek professional assistance from certified electricians if needed.
- **DO NOT** use LED lights exceeding the recommended wattage.

 Warning

- Ensure the power cord and plug are properly aligned and fully inserted.
- Provide constant supervision when children or pets are nearby.

 Caution

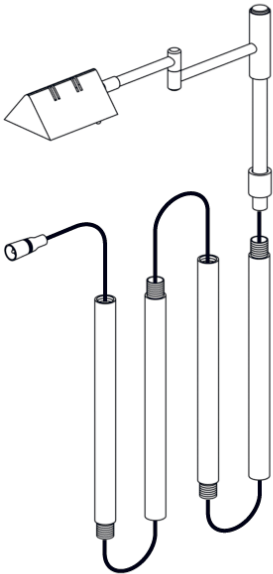

- Mount **ONLY** on a stable and sturdy surface to prevent injury or damage.
- Hold the pole firmly with one hand while adjusting the lamp head to ensure the floor lamp remains stable.

Specification

Turn On/Off

3000K → 4000K → 5000K

Brightness Adjustment

Dark → Bright / Bright → Dark

Note: This floor lamp is recommended for use beside a desk, bed, or sofa. For optimal lighting, it should be placed within a 32 ft² range.

Troubleshooting

Q1: What should I do if the lamp is not powering on?

A:

- Check for power outages and ensure the plug is firmly in the outlet.
- Try a different compatible outlet; if other devices work, contact customer service.

Q2: How can I fix a flickering light?

A:

- Check for power outages and ensure the plug is firmly in the outlet.
- Adjust or replace the power switch if needed.

Q3: What should I do if the dim function is not working?

A: Adjust the power switch to test functionality. If unresponsive, consult customer service.

Q4: How do I fix a light that is too dim?

A: Increase brightness using the dimmer switch. If it is still dim, replace the LED light.

Q5: What can I do if the lamp is overheating?

A: Ensure the lamp is well-ventilated by not covering the lamp head with any objects.

Q6: How can I prevent the lamp from tipping over?

A: Place the lamp on a flat, stable surface away from high-traffic areas.

Disclaimer

Read this disclaimer completely and carefully before proceeding with the rest of the manual content.

1. Product Modifications

Any modifications or alterations to this product void any warranties and may result in damage or injury. We shall not be liable for any damages resulting from such modifications or alterations.

2. Compliance with Laws

Customers shall be liable for ensuring that the use of this product complies with all applicable laws and regulations in their respective jurisdictions. We assume no responsibility for any violations of laws or regulations resulting from the use of this product.

3. Correct Use

Always use this product only as directed in the accompanying manuals. Failure to follow instructions may result in injury or damage.

Always ensure the assembly, installation, operation, maintenance, or repair of this product is carried out by a competent person.

Always make maintenance regularly throughout this product's lifecycle; you have the liability to keep the product operating as intended.

Always wear appropriate protective gear.

4. Third-Party Products

We shall not be liable for any damages or losses resulting from the use of third-party products in conjunction with our products. Customers shall refer to the third-party's guidelines or/and warranties (if any) for any third-party products used.

5. Limitation of Liability

We shall not be liable for any direct, indirect, punitive, incidental, special, or consequential damages to property or life, whatsoever arising out of or connected with the use or misuse of our products. In no event shall our liability exceed the value of the products sold.

6. Warranty

Refer to the sales page for warranty information.

This disclaimer states the entire obligation of us with respect to this product. If any part of this disclaimer is determined to be void, invalid, unenforceable, or illegal, including but not limited to the warranty disclaimers, liability disclaimers, and liability limitations set forth above, the invalid or unenforceable provision will be deemed superseded by a valid and enforceable provision that most closely matches the intent of the original provision and the remainder of the agreement shall remain in full force and effect.
