

4PCS 40W Linkable LED Shop Light

VEVOR®

Make Interior Spaces As Bright As Day

Creating minimalist interior lighting

 4500LM

 40W

 4PCs

VEVOR 40W linkable LED shop light has the advantages of anti-interference, 4500LM high brightness, and hanging or surface mounting method. It can be connected in series with 6PCS, ideal for indoor lighting in warehouses, garages, small and medium-sized stores, offices, and home utility rooms.

Three-gear Adjustments

Meet the brightness needs of different places

50%

Garage

75%

Workshop

100%

Shopping Mall

Our linkable shop lights have 3 levels of brightness adjustment function (50%, 70%, 100%). You can adjust the brightness according to the environment, ensuring adequate lighting and energy saving.

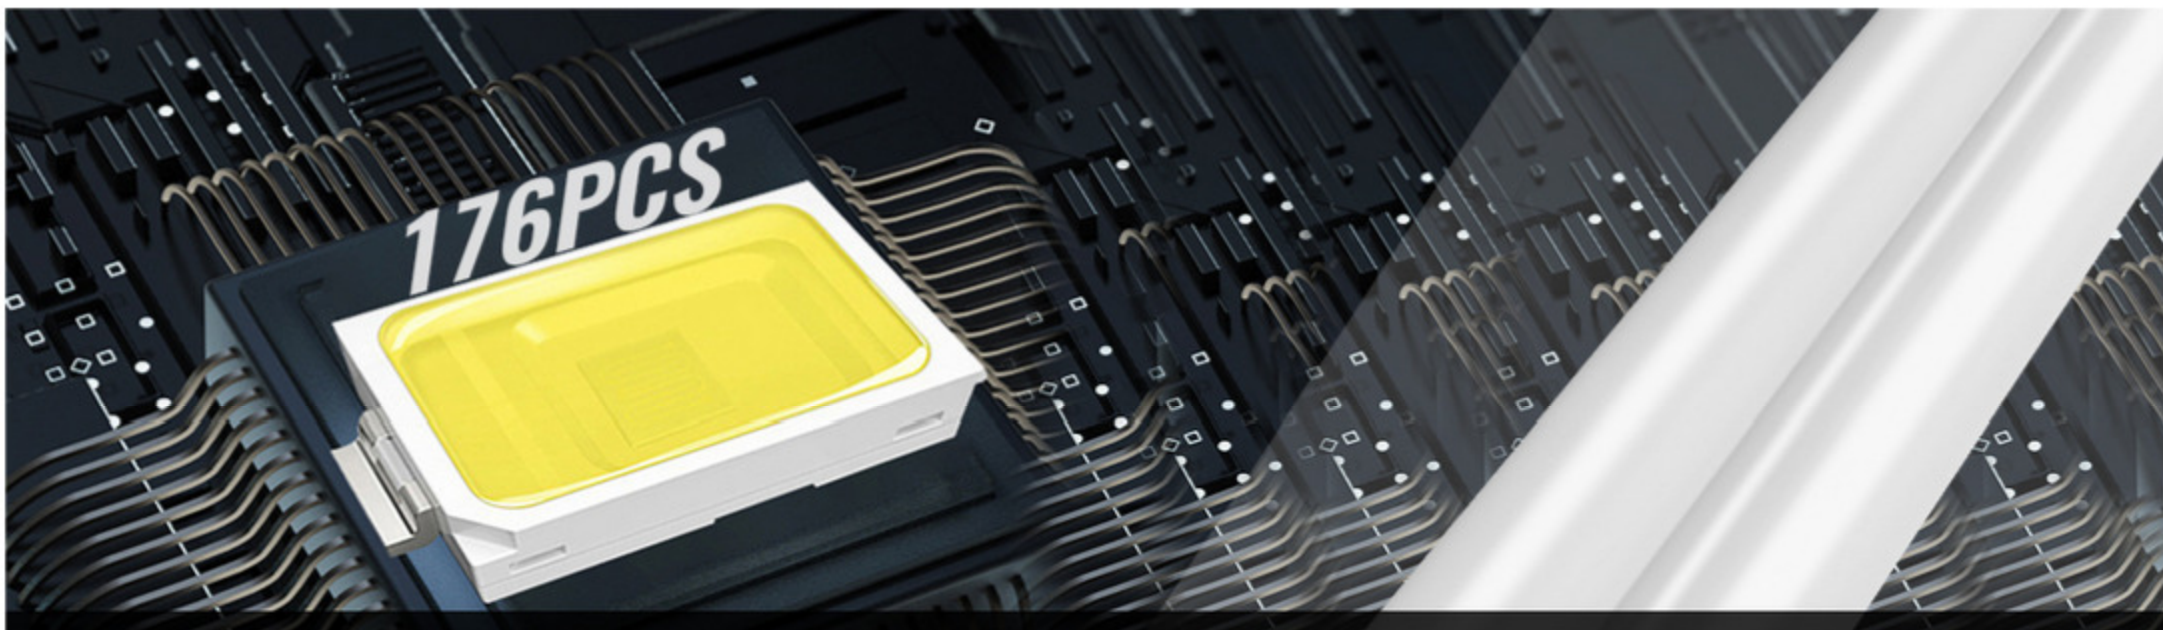

Two Mounting Methods

Hanging Mount / Surface Mount

The LED shop light fixtures provide you with hanging mounting or surface mounting, which is convenient for you to choose flexibly according to different spaces. If the space height is less than 3 m, we generally recommend using the surface mounting method ensure better security.

176PCS

Low Energy Consumption & High Brightness

Each lamp tube consists of 176 high brightness lamp beads, even light without shadow

This utility shop light has 176pcs high brightness lamp beads, and long-life LED light-emitting chips, an energy consumption of about 10% of the traditional incandescent lamps, saving electricity costs.

Installation Made Easy

Only 4 steps to complete installation
