Light Source Included: No
Voltage: 120V AC
Wattage: 40W Max

Package includes
1 x Wall Sconce
1 x Accessories Kit
1 x User's Manual

Installation Instructions

A: Secure the mounting plate (1) to the junction box using the junction box screws (2).

B: Connect the black wire of the main cable (7) to the positive power wire (+) using a wire connector (6). Similarly, connect the white wire of the main cable (7) to the negative power wire (-) using a wire connector. Ensure no bare wire is exposed to prevent electric shock. Secure the lamp body ground wire (4) and the external ground wire to the mounting plate (1) using the green screw (3).

C: Fasten the canopy (5) to the mounting plate (1) using the screw rod (8), then secure the assembled lamp.

D: After hanging the lamp, first screw the light source (11) tightly into the lamp holder (10), then twist the glass lampshade (12) clockwise onto the aluminum part (9).
