Specifications

Jones Stephens' 2" x 3" PVC Perfect Low Profile Drain with PVC Spud and Round Stainless Steel Strainer is the trusted, professional choice for your shower or floor drain installation. This drain comes with a round screw-in stainless steel strainer and a durable gray PVC spud to camouflage dirt and soap scum. Its low profile design is perfect for multiple stories.

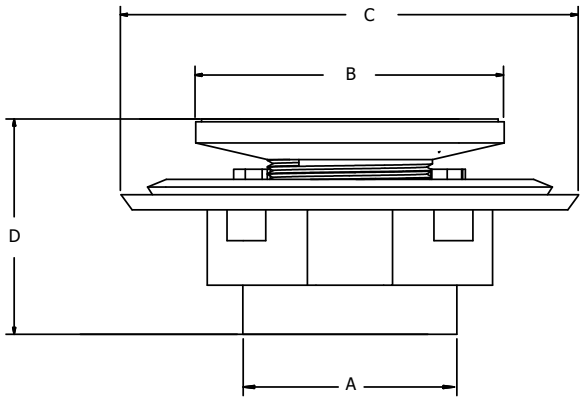

Applications

Jones Stephens' Shower Drains are approved for use with commercial and residential non-potable water applications.
